All of our measurements are based on actual "To Fit" body sizes and not the size of the actual garment itself e.g. a polo shirt with a chest to fit size of 92-97cms / 36-38" will fit someone with similar chest measurements; trousers with a waist to fit of 50 Europe / 34" will fit someone with similar waist measurements etc.

To help you select the most appropriate size of garment(s) please refer to our measuring tips below.

## Chest

**Men:** measure around the fullest part of the chest, 2.5cms below the underarm area ①

**Women:** measure around the fullest part of the bust ①

**Children:** measure under the arms around the fullest part of the chest ①

## Collar

**Men:** measure around the base of the neck ②

## Waist

**All:** measure around the natural waist, ensuring the measuring tape is kept taut ③

## Leg Length

**All:** measure from the top of the inside leg at the crotch down to where trousers are normally worn with shoes ④

## Height

**Children:** standing still, with feet together and flat on the floor, measure from the top of the head to the ground ⑤
